1. The Year Ahead Reading

Each year, the Sun returns to the same position it was in when you were born. A chart can be drawn to forecast the year ahead. An overview of the next three-years is included so you can plan ahead, line up your resources, and be more prosperous.

If you are open to traveling on the week of your birthday to achieve certain goals, resolve issues, and improve your situation, [Birthday Relocation](#) options will be given.

Check out this [FAQ](#) on Birthday Relocation

Information Needed

- First and last name
- Birth date, time, and place (check birth certificate)
- Three goals or areas of life you are most concerned with (it can be general or specific)
- The city where you spent your most recent birthday
- **RELOCATION OPTION:** Are you open to traveling on the week of your upcoming birthday to meet your goals or improve your situation? If yes, which regions of the world (e.g., Southeast Asia only, Asia and Europe, United States and Canada, etc.)?
- The city where you currently reside
- Email address

Output

The written chart interpretation is 9-25 pages long.

∞ Energy Exchange ∞

US\$120 or PHP5,000

The Energy Exchange will go to a scholarship fund for children and to people in need.

Time Frame and Consultation

It will take 3-7 days to complete the written interpretation depending on the number of clients and commitments on queue. The written interpretation will be sent via email. After which, and if needed, we can hold a one-hour consultation online. The session may be recorded.
